

### Our OEM goals...

- ◆ To promote regional emergency management through disaster mitigation, preparedness, response and recovery.
- ◆ To provide leadership and expertise to county departments in emergency management issues.
- ◆ To facilitate partnerships among business, public agencies and other organizations, through planning and mutual aid agreements.
- ◆ To increase family and community preparedness through cooperation with schools and local response agencies in unincorporated King County.
- ◆ To enhance the operational readiness of the Emergency Coordination Center through the use of technology, training and exercises.

*"The mission of King County Emergency Management is to promote disaster resistant communities through excellence in service and partnerships".*

# KING COUNTY EMERGENCY COORDINATION CENTER - (ECC) SUPPORT TEAM

## A Little History...

The King County Emergency Coordination Center **Support Team** was formed many years ago to provide support services for the Office of Emergency Management during disaster operations. The ECC **Support Team** is a non-profit, all volunteer, community service organization that exists under the WAC 118-04 guidelines of the Emergency Worker Program. Membership is open to any individual with an interest in providing vital emergency operations center support for the community during a disaster or emergency situation. Members must be registered as State Emergency Workers and must submit to criminal history and driving record background checks before participation.

## Application for membership...

◆ Prospective member completes an Emergency Worker Application from the Office of Emergency Management located at 3511 NE 2<sup>nd</sup> Street, Renton, WA 98056 (206)-296-3830.

- ◆ Application for membership is reviewed by membership coordinator(s) and OEM Program Manager.
- ◆ Members must be registered as State Emergency Workers and must submit to a criminal history and driving record background check before participation.
- ◆ New member is approved for provisional membership and attends and participates in monthly meetings, training exercises as scheduled and Emergency Coordination Center activations.

*"Our job is to provide timely and quality support services for the King County Office of Emergency Management".*

## Training...

The ECC Support Team, through the Office of Emergency Management, provides specialized training classes for its member's which include the following:

- ◆ ECC Orientation
- ◆ ECC Audio, Visual and Electronic Equipment Operations
- ◆ Basic Incident Command System
- ◆ ECC Message System
- ◆ ECC Information & Planning Section
- ◆ ECC Communications & Operations
- ◆ ECC Facility Logistics
- ◆ King County Emergency Management Plan and ESF's
- ◆ Basic Family Preparedness
- ◆ First Aid, CPR and AED
- ◆ Hazmat Awareness
- ◆ Hazardous Materials Operations
